

# PROJECT EAGLE

Help us fulfill our mission of preparing children, engaging families and promoting excellence by sponsoring various programs and events.

## **Preparing Children**

**Project Nurture** Help nurture a love of reading in Wyandotte County's youngest children by sponsoring Project Nurture, held in April of each year. Guests are asked to bring book donations for children enrolled in one of our programs.

## **Engaging Families**

**Family Fun Night** Family Fun Night occurs once a month and is a time for parents and their children to enjoy dinner, participate in an activity that promotes attachment, and receive education on a parenting-related topic.

**Parent Café** Parent Café is a monthly event for parents to socialize and make connections with other parents and staff in Project Eagle's Educare Kansas City School.

## **Promoting Excellence**

**Educare Kansas City Early Childhood Education Symposium** Twice a year, early childhood professionals from around the Kansas City metropolitan area gather for an evening to learn from the Educare Kansas City staff.

**Project Eagle Learning Tours** Learning Tours take place in February, May, and October of each year. These tours focus on the importance of early childhood education and demonstrate how Project Eagle is working to prepare children, engage families, and promote excellence in the field of early childhood education.
