

PROJECT EAGLE

VOLUNTEER OPPORTUNITIES

CLASSROOM READERS

Our classrooms love to have guest readers! The best times for this are Tuesday through Friday mornings between 9:30 and 11:30. Come and share your favorite books or borrow one of ours!

SPRING CLEANING PROJECT (for groups of 15 less, on a day when center is closed)

Our classrooms and storage spaces could use a good cleaning in March, August, and December as well as at other points during the year. This is a great group project where you will instantly see results and have our eternal gratitude!

DONATE RECYCLABLE MATERIALS FOR CLASSROOM PROJECTS AND HOME VISIT TOYS

Our Teachers and Home Visitors use many recyclable materials for their lessons. We will happily take your small cardboard boxes, oatmeal containers, plastic bottles, paper towel and toilet paper rolls!

PARENT CAFÉ ASSISTANT

Attend the parent café on Wednesday mornings, help with set up, greet parents, hand out coffee and food, lead a group discussion with a table of parents.

FAMILY RESOURCE CART ASSISTANT

Brainstorm ideas for cart content and resources for parents, provide information for parents, and greet parents as they enter the center.

EARLY MORNING GREETERS!

Welcome families arriving at the center between the hours of 7:00 am-9:30 am. Help parents and children have a smooth and positive start to their day by providing a warm welcome, a friendly face, and assistance with opening center doors, etc.

PLAYGROUND PALS

Assist our teachers by providing an extra set of eyes and ears on the playground. This is the perfect activity for someone who loves to interact and be active with small children! Morning and afternoon hours available!

ASSEMBLE TAKE HOME ACTIVITY PACKETS

We provide the supplies, you assemble! We are always in need of activity packets that we can leave with families on home visits or give to families to do with their children at home.

ASSIST WITH SPECIAL EVENTS

Help plan the activities for parent/family events and program fundraisers.

GARDENER

Assist Project Eagle/Educare of Kansas City children and teachers with various gardening projects.

BRING YOUR OWN TALENTS!

Donate your time and share your special gifts or talents with a classroom.
